MESSAGE

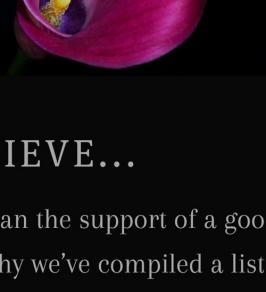

## Design

This body-positive lingerie site that I designed is focused on custom-making lingerie to suit the people department stores leave behind.

Look and feel amazing.  
Get the support you need.

Love your body.

### WE BELIEVE...

... in more than the support of a good bra. That's why we've compiled a list of national resources for those times when you're struggling to love yourself a little more.

RESOURCES

## Support

With a focus on body positivity, it became the CEO's passion to include resources for a variety of mental and physical health needs.
